Covid Cases week ending 21st January 2022

We have had 0 reported positive cases this week.

Covid-19

If you receive a positive LFD or PCR test please continue to let the school know, via the email covid@bawburgh.norfolk.sch.uk

If your child is displaying any of the Covid-19 symptoms (it only has to be one) please keep them at home and book a PCR test. Please stay at home and isolate until you receive the results, if negative, and well enough to be in school they can return, if positive please remain at home and isolate for the required period.

Tea towels and bags The Friends are producing a fun, personalised tea towel and tote bag as a keepsake and to raise funds for the school.

All the children (and staff!) will be drawing self-portraits which will then be collated and turned into a whole school tea towel and bag. Tea towels will be white bleached cotton with red print, and the tote bags will be long-handled unbleached cotton with red print. Tea towels will be £5 each and tote bags will be £6.50 each.

These will be great for you to keep, or as gifts for friends or family for Mother's Day, Easter etc.

Please be aware that we have to pay for these in advance and have to have a minimum total order of 50 of each item. Please also note that you will not be able to see a mock-up of the product in advance of ordering and paying. However - please see below for an example of the

tea towel that was produced a few years ago - we hope you will agree that they always turn out really well.

If you would like to order any items, these will be available to purchase on Parentmail. Orders and payments need to be made in the next two weeks, by the end of Friday 28th of January - we will be unable to take any orders after this date. Delivery should be during the first week of March.

Exciting news As restrictions are slowly being lifted, we are excited that we may be able to re-introduce Parent Lunches, Open Tray days and parents being able to come into school. We are also planning a Mothers Day afternoon tea on Friday 25th March. Watch this space!

Change of Menu We are currently reviewing the school menu for hot and packed lunches. We would like to hear from parents about what food your child would like to see on the menu.

Please submit any food choices via the form on ParentMail for consideration. Thank you for your help.

Chicken Pox and Threadworms There have been cases of chicken pox and threadworms in school.
