6th November 2024

Dear Parents/Carers,

It gives me great pleasure to be able to share with you the outcome of our most recent Section 5 Ofsted inspection. It's official we are still a **GOOD** school! In fact, the inspector said we are a '*really really good good school*'.

The governors, staff and I would like to thank you for your highly positive comments via the ParentView questionnaire and when talking with the inspector on the playground. We were and still are, very overwhelmed by how positive you all are about our school. '*Pupils benefit from learning in a caring, safe environment that embodies the school's aim to go above and beyond. Parents recognise this, happily recommending the school to other parents*'.

The inspectors were very impressed with the children, '*the pupils' behaviour is praiseworthy*' that staff make lessons fun and interesting '*which motivates pupils to work hard and try their best*'. Both inspectors commented that the children respect the high expectations we have of them, both in and out of the classroom, and this is reflected in how well they behave and how much they care for one another.

We are exceedingly proud of our school and what we provide the children and the inspectors really recognised and understood what we are trying to achieve. Since our last inspection, we have worked hard to ensure our provision meets the needs of all children and that all children feel successful with their learning, '*The school's inclusive nature is a strength*'.

As part of our constant reviewing and evaluating of our curriculum, we made the decision over the course of last year to further enhance our offer for Science, History and Geography. We implemented the CUSP curriculum for these subjects in September and as a result we need time to embed and assess it's effectiveness. This is the only area for improvement the Inspectors identified and was already in our school improvement plans for the year ahead.

A copy of the inspection report is attached to this letter and will be on the website by the end of the week.

With very best wishes

Carla Stedman
Executive Headteacher
