Bawburgh Events

This past term, our school has been participating in many different activities. One of which was a sports hall competition that Hummingbirds attended at the Sportspark, at which they tried their best! Year 4s also went to a dodgeball competition where they competed against other schools. Jackdaws and Hummingbirds also did a taster rugby session on Thursday. Our last event of the term was our Celebration assembly – we want to congratulate our winners of the assembly for showing our schools values throughout the half term.

We wish everyone to have a wonderful half-term!

Learning This Term:

This term, many skills have been achieved and many pupils have accomplished their goals throughout not only this term, but previous ones too. Hummingbirds have been learning about and writing their own Norse myths. They have also been making pies in D.T. Jackdaws have been taking a key interest in the Roman timeline. In literacy, they have been talking and writing about Pompeii (they are succeeding many new skills) In Kingfishers, (KSI) they have been trying their hardest to improve their handwriting and learning new sounds and very scientific words (like opaque and absorbent) and they have also been investigating significant role models such as Mary Anning and David Attenborough.

Storytelling Day

On the last day of term, we did a storytelling day in where the children listened to stories read by the staff, and they also got to read to their buddies. They also enjoyed a hot chocolate and a biscuit—thank you Ayesha! The theme of the day was 'Read Your Way' and the pupils were allowed to come to school in whatever they wished. Everyone had a great time!

Our school values:

- > Resilience
- > Respect
- > Collaboration
- > Curiosity
- > Above and Beyond for All!

Focus Class: Flamingos

This half term Flamingos have been studying 'People Who Help Us'. They have been visited by police and have enjoyed learning about the emergency services, doctors, food banks and more. As well as this, they have been exploring the large apparatus in PE and are learning about the Lunar New Year.

Values Assembly Winners Are...

Hummingbirds- Harrison, Eli, Freya and Astrid

Jackdaws- Noah J, Savannah, Hughie, Mia C

Kingfishers- Avery, Addie, Elsie, Freya P

Flamingos- Jessica G, Harrison, Kaira, Amelia
